## 2014 Spring Plant Showcase!

We hope you enjoy this season's showcase of new and exciting plants! They have unique characteristics we think you'll love and they are cold-hardy.

We have many more gorgeous plants than we can showcase here, so please stop in the nursery to see them in all their glory!

### Dogwood Trees

Lovely spring blossoms, great fall color. The perfect trees for a shadier part of your yard.  
Here are three of the many varieties we have in stock. All are very disease-resistant.

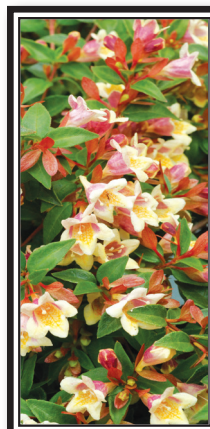

**Eddie's White Wonder**  
Larger flower bracts & a taller tree than Eastern Dogwoods.

**Heart Throb®**  
Long-lasting flower bracts up to 4 inches in diameter.

**Summer Fun**  
White flower bracts and creamy white variegated leaves.

**Sunny Anniversary Abelia**  
A generous rebloomer. Butterflies!

**Sunjoy™ Citrus Barberry**  
Compact, dense & burn-resistant foliage maintains its bright color from spring to frost. Very deer resistant.

**Miss Molly Butterfly Bush**  
Compact, fragrant & the reddest of the Buddleias.

**Bloomerang® Dark Purple Lilac**  
A compact, dense lilac that blooms regularly from spring to frost.

**Raspberry Shortcake™**  
Great fruit on this dwarf, thornless raspberry.  
Thrives in pots!

**Cheyenne Spirit Coneflower**  
A gorgeous mix of colors on stocky,  
well-branched plants.

**Bud's Yellow Twig  
Dogwood**  
Vibrant yellow twigs  
brighten up the  
winter garden.

**Blueberry Glaze™**  
Looks like a boxwood,  
tastes like the blueberry it  
is! Great in containers.

## Trees

Brilliant fall foliage, colorful blossoms, or great summer color & shade -- here are a few stunning varieties!

**Autumn Fest®  
Sugar Maple**  
Strong upright growth and  
fabulous early fall color.

**Vossii Goldenchain**  
Upright, vase-shaped tree is  
stunning in bloom.

**Crimson Sunset® Maple**  
Flourishes in summer heat  
where most purple-leaved  
plants burn.
